## 80th ANNIVERSARY FIELD TRIP

The modest Botanical Society was such an odd-looking bunch "dressed in various knock-about costumes...that the boys in Apollo knew that the rumor had come true; for it had been reported that a moving picture company was to stage a Wild West show, using Roaring Run as its stage". From *Tullia* No. 4, 1913-1915, "The Marvels of Roaring Run".

This 80th anniversary field trip, scheduled for May 6, will re-investigate the marvels of Roaring Run.

## OBITUARIES

### Neville Craig Davison Jr. dies, descendant of pioneers

BY DONA S. DREELAND  
Staff writer

NEVILLE DAVISON with granddaughter Rachel.

Another bit of Western Pennsylvania history has passed with the death of Neville Craig Davison Jr. Mr. Davison, 84, son of Neville Craig Davison Sr. and Jessie Boardman Davison, died June 18, 1995.

Mr. Davison was descended from some of the oldest and most distinguished families in the area, going back to pioneer times.

His ancestors include Gen. John Neville, a commander of Fort Pitt under the British, Isaac Craig, who helped bring the glass-making industry to Pittsburgh, and Neville Craig, owner of the Pittsburgh Gazette, the first paper west of the Alleghenies and the forerunner of the Pittsburgh Post-Gazette.

Mr. Davison went to Kent School in Connecticut and Carnegie Institute of Technology, Pittsburgh. He

worked at the American Bridge Co. and Rust Engineering. He was an artist who created pictures of homes,

doorways, stairways and trees in pen and ink sketches, much of his inspiration coming from the Sewickley Valley.

After his retirement, Mr. Davison helped to deliver Meals on Wheels before moving to Bristol Village, a retirement community, in Waverly, Ohio, where he and his wife, Mary Ellen, have lived since the 1980s.

Mrs. Davison was a former nursery-school teacher at Sewickley Academy in whose honor a building was named.

Surviving, in addition to his wife, are four children, Neville Craig Davison III, and his wife, Jane, of Hudson, N.H.; James Syer Davison, and his wife, Virginia, of Camp Hill, Pa.; Rachel Davison and her husband, Larry Davidow of Brooklyn; and Katharine Gerwig and her husband, David, of Richmond, Ind.

Also surviving are five grandchildren; three great-grandchildren; and a sister, Ellen Davison, of Sewickley.

## VOLUNTEER

Another wildflower has popped up in our garden -- out of nowhere. This time it's Early Saxifrage, *Saxifraga virginensis*.

## SPELLING BEES

Our member, Alice Guilday, is into entomology, too.

In the Vintage Senior Program's 4th annual Spelling Bee, she was the winner of both the local competition and the county competition. Her winning word was "sonorous". (Sounds good to me!)

Now, she moves on to the State finals in York, PA on June 16.
